Hello East Academy Families,

This is to inform you of the Traffic Pattern changes for the upcoming 2026-2027 school year. This year the EK –3rd grade students will remain in the main building, and the 4th -8th grade students will remain in the Modular building this school year. We want to remind you to please be patient and follow ALL traffic rules for the safety of our students and faculty. Thank you.

This is the traffic pattern for dismissal all school year. Bus riders will be called to leave first starting at 3:30pm. Walkers will be dismissed after the bus riders leave. They will cross the street with the cross guard on duty and ONLY at the crosswalk. Walkers in the main building will be dismissed and exit from the student entrance. Car riders will be dismissed directly after the walkers have left. Car/van riders leaving the main building will exit the visitor entrance doors once called over the walkie talkie. They will be assisted in the car by a teacher or teacher aid staff. The MOD students will exit from the main entrance of the MOD as staff calls their name for car rider dismissal. Please follow the visual below and feel free to contact the main office if you have any questions or concerns.

MISSION: To prepare students for a college preparatory high school that will ensure success and graduation from a four year college/university.
